

# A Message from FRP Alumni

Mrs. Debbie,  
(Debbie Geiger, Operations Manager)

Good morning and happy Tuesday! I pray you remember Teddy and I. We did put you through hell and back about a decade ago, BUT YOU SAVED OUR LIVES!

God put it on my heart to see if you still worked at FRP. I searched for you on Facebook but sadly couldn't find you so I Google FRP and sure enough, there you were, STILL SAVING LIVES and FAMILIES!!!!

I just wanted to let you know Teddy and I are coming up on 9 1/2 years clean!

We have 2 BEAUTIFUL boys. Jacoby will be 11 on July 26th (you helped me fight for him back 10 years ago) and we also have Braxton who turned 9 on April 22nd.

Teddy and I bought our first HOME in 2020 and we got engaged on Christmas in 2022.

I am an IT Specialist for the Census Bureau and Teddy owns his own HVAC Company called Blue Line Mechanical LLC with his buddy Brian.

We are living a life BEYOND our wildest dreams Mrs. Debbie! I have you to THANK for never giving up on me and us!!! I went from sleeping on cardboard boxes in the alley behind FRP to owning my own home, and 2 vehicles - Teddy has a beaut of a truck with 2500 Heavy Duty RAM and I PAY OFF my Ford Fusion Hybrid in 4 months, we own a 4 seater side by side and a mini side by side for the boys, we own a camper and we live at campgrounds ALL OVER (we LOVE Yogi Bear Jellystone campgrounds). The materialistic stuff doesn't matter to me like that but I never thought in a million years I would have ANY of this OR LIVE THE AMAZING LIFE I AM TODAY. I have two AMAZING healthy boys, Teddy who has done a lot of that hard internal work, reliable friends and people in my life who love me unconditionally and that is PRICELESS!

You knew the state I was in...I could NOT make any decisions for myself. I put my ENTIRE LIFE in your hands...and I TRUSTED YOU. Still to this day that was the BEST DECISION, I HAVE EVER MADE IN MY 32 YEARS OF LIVING.

Thank you for NEVER giving up on Teddy and me. Thank you for being my voice when I didn't have one. Thank you for being cutthroat and telling me the HARD things no one else ever wanted to tell me. When I left for Safe Harbor in Emmitsburg MD, I lived there for 13 months. I had a plan and I've stuck to it every day, One Day at a Time.

This email will NEVER be able to express the amount of gratitude, love, and thankfulness I have in my heart for you and FRP (Family Recovery Program).

You are more than welcome to call or text me ANYTIME if you want to catch up. (I telework from home.) Or if you have a personal FB page you could send me a friend request and you can see my boys and family!

I pray you're doing well and living your best life. I know you put in the work to SAVE LIVES EVERYDAY, you're a GEM of a human being and I'm lucky God put you in my life when he did because I wouldn't be alive today if it wasn't for you and FRP!

Much Love and Good Vibes sent your way!

Thank you for saving my family and LIFE! ❤️🙏

Sincerely,

Clorissa Jones (Decade FRP Alumni)
